ANNOUNCEMENTS

In April we welcomed our **new Administrator.**

Shannon Marthinus started as a volunteer in 2021, and has consistently been a pillar and a great help and motivation throughout all the programs and camps she attended with Hope for Youth.

We are proud to see the growth within our organisation. We are also excited with her as she's starting this new journey. Wishing her many blessings!

We are excited to launch the program **PathFinder.**

It is designed for boys to be equipped and understand their role in society. We will be looking at what God had in mind when he created the Man and what the society says a man should be.

The students and their scores are: Thomas Dunkley (93.4%), Wium van Tonder (92.1%), Joshua Petersen (90.6%), Gysbert le Roux (90.4%), and Felix Beukes (90.0%).

WOMAN'S DAY FUNCTION

We will be hosting our very first Woman's Day event this year on the 9th of August 2022.

On the day, we will have powerful speakers to have talks with the ladies. There will be a few surprises, snacks, and something to eat and drink will also be provided.

A photo session will also take place on the day.

Tickets can be purchased on our website, www.hopeforyouthsouthafrican.co.za under the events tab. Tickets purchased is in support of our public and community projects that we run.

For more information regarding this event, please do keep an eye on our socials.

THE JOURNEY

The father and son camp kicked off just outside Swellendam and the boys slept on top mountain on their first night as part of the man of courage pillar.

Over the weekend they also demonstrated how a man of action, responsibility and honour should act and the values that have been taught to them over the months. The process ensures that you become strong and responsible young men.

This programme is in collaboration with **The World Needs a Father.**

MORNING HIKE

Denzil Bredenkamp and a few of the leaders of the program, The Journey went on a morning hike to reconnect and just take time out of the pressures of life. They had an interesting discussion on obedience and the impact it has.

BOYS MENTORSHIP

Denzil and Jonathan Mitchell, two of the facilitators that works with the boys, had a discussion on how to strategically impact the Paarl and Wellington community. Please follow our page to find out what that plan is.

WE STARTED NEW PARTNERSHIPS

HUIS ANDREW MURRAY

We held our monthly Girls Mentorship Day on 23rd April 2022 at **Huis Andrew Murray**, this was the start of our partnership with them.

We started our morning off with a very warm welcome from **HAM staff**.

Our focus for the day was Leadership and affirming positivity within your life.

Unveiling your true inner self behind the mask is acceptance of your true identity with the values you were born with and unlocking the potential that has been hidden inside of you because of fear of rejection, hurt or past experiences.

The girls had to close their eyes and think deep about who they were born to be without the negative influence of others or a mask. They had to reflect on past, present, and future to find their inner self and the person who God made them to be.

Emotions were high when they discovered the wonderful and positive values they were born with!

More focus areas of the day:

- Finding your True Identity
- Table of Support
- Influence vs position

"To lead others well, we must help them to reach their potential. That means being on their side, encouraging them, giving them power, and helping them to succeed". - John C. Maxwell

BOSMAN ADAMA

We absolutely excited as we started our Leadership programme at **Bosman Adama Grapevines & Plant Improvement Adamá Wines** farms with all the young people.

Our journey started with Bosman Adama in 2021 where a group of their girls were part of our public girls Mentorship programme and our relationship just grew from there.

We are training these young people (both young men and young women) on a weekly basis to ensure we impart good values, leadership skills, entrepreneurial mindset, and Godly principles.

Topics for Bosman Adama 2022

Date	Topic
12 May 2022	Understanding the crisis that is in the world and how you can make a change
19 May 2022	Introduction to your identity and what influences your identity
2 June 2022	Choices
9 June 2022	Values and Fruits of the Spirit
15 June 2022	Leadership and ownership (Game evening Turkeys and eagles)
23 June 2022	Identity (Understanding who you are)

We want to thank the **Management** and the **social development team** on the farm for trusting us to development and empower the kids on their farms.

Thus far, our training sessions at Bosman Adama has been very insightful.

ENTREPRENEURSHIP TRAINING

These past three months we had informative training sessions at our monthly women's entrepreneurship training.

What stood out above everything else was that we all agreed that a firm foundation is the secret recipe and key to ensure your business and personal life is successful.

Finding your "**why**" to the purpose of your organisation to ensure there is a greater goal and vision for the business to ensure sustainable and healthy cornerstones with values for our solid structure. Collaboration with others is surely the way to go to ensure we help each other up and not work in silos.

We discussed the principles of the business management process, budgeting and setting up a good business plan that includes short as well as a detailed synopsis for your target audience or potential client.

What a morning!!! Thank you to the ladies.

We are soon taking in a new group, be sure to register by sending an email to admin@hopeforyouthsouthafrica.co.za or visit our website www.hopeforyouthsouthafrica.co.za to stay updated and register for our training interventions.

GIRLS YOUTH CAMP

As part of our Girls mentorship initiative, we decided on a Youth Camp which took place at **Okkie Joostenberg Camping site** on the weekend of **17th to 19th June 2022**. Annually we have two Girls camps taking place within the months of **June and November**.

To start off the camp, the girls were divided into various groups. In each group, a Peer Educator was allocated to assist with guidance. The task of each group was to establish a name for the group illustrating their values. A catchy, yet powerful name.

Later in the evening, we hosted a **"movie night"**. Each girl received a movie ticket, giving them access to popcorn and soda. We watched a movie named, Soul Surfer. The message behind the movie was that no matter the physical challenges we may be facing from time to time, if we have faith and supportive family and friends, we can overcome them. Determination allows us to never give up on our dreams.

We were privileged enough to have a very special guest who shared his testimony with us. **Fanie van der Merwe**, a Paralympic athlete competed in 2008 in Beijing, China where he won a gold medal. Fanie was born with **Cerebral Palsy**.

Cerebral Palsy is abnormal brain development, often before birth.

Even though the journey was not smooth sailing his faith kept him going. What was so special is that Fanie gave an opportunity to each girl to hold his well-earned medals in their hand, the girls felt so special. **Fanie's wife, Jenny van der Merwe** also motivated the girls with her life story.

GIRLS YOUTH CAMP

Vaneshree Govender, a guest speaker was there to give an inspirational message and brought gifts for the girls for their goodie bags.

On the morning of the 19th of June 2022, we closed off our camp with praise and worship and also an Awards Ceremony. Each girl was awarded a certificate of attendance. Special certificates were also awarded to the Peer Educators.

A special thank you to the following individuals who provided us with sponsorships and their assistance:

- Synercore Holdings
- Adama Wines
- Vaneshree Govender
- Kroucamp Distribution - Bread sponsor
- Adriaanse Family
- HOOP - Bok Radio
- Kitchen staff of the weekend - Patricia Sia and Mureeda Khan
- Auntie Carol - Supply us with food for monthly mentorships
- Fanie and Jenny van der Merwe
- Bosman Adama - Transport
- Swimwear sponsor - Ucionne and Jacobs Family
- Cookies - Allmark Foods Bakery

OUR NEW PEER EDUCATORS

As part of our Mentorship culture, we newly established another tier in our structure which is constituted in the Peer Educator programme. Peer Educators are future leaders and facilitators in training that were identified by the Management of Hope for Youth to further their leadership skills.

All girls that want to be Peer Educators and move into leadership have been given the opportunity to apply.

Our Peer Educators from the left: **Tiffany Brown, Mary-Lee Matthews, Irishin Bredenkamp and Hayde Apollis**

SPREADING OUR MENTORSHIP TRAINING THROUGHOUT SOUTH AFRICA

Our strategy:

To ensure that Hope for Youth South Africa has a **youth hub** and **mentorship group** throughout South Africa.

Training will be provided to Facilitators, volunteers, and community workers so that they are fully equipped to train the rest of the youth.

This training will involve following a **guided training manual** on how to facilitate, the various props that could be used for training, topics and programs based on our Mentorship training.

Our **footprint** indicates the exact location where we currently need assistance.

We are calling all Youth leaders and Community workers to join us in this movement. If you are interested, please email us.
